

## rosedale eton

(Kolbeach Sensational NZ x Colbeach Simone imp UK)  
13.1hh stallion. RPSBS, AHSA (20%)

Eton requires little introduction as he possesses the truly outstanding bloodlines of exceptionally successful ridden open show ponies both in Australia, and of course in the UK. Eton's dam line is arguably one of the best open saddle ponies the country has seen with high calibre wins ranging from Champion Young-stock at the UK's Royal International Horse Show, and then in Australia taking Champion Large Pony at Grand Nationals, Champions at Canberra Royal, Melbourne Royal, and completing her show career being shown as a broodmare to win Supreme Exhibit at Adelaide Royal.

Eton's limited show career to date, has seen the same outstanding results with both led and saddle major wins at Melbourne Royal, Adelaide Royal, Perth Royal, and Perth State Shows. Eton's superb conformation, huge front, and great movement are only surpassed by the kindest of temperaments.

Eton's siblings are an impressive line up:

Eton's full siblings Rosedale Simone (EA National Large Pony 2011, Canberra, Adelaide and Melbourne Royals), Rosedale Lords (2010 National RP Stallion, Canberra and Sydney Royals, and formerly of Willowcroft Stud, now resident sire Lyndhurst Stud), Rosedale Wembley (Adelaide and Melbourne Royals, and Runner up SA Pony of the Year).

Eton's mare line Simone has also produced Rosedale Tempting (Resident sire Rosedale Stud, Brisbane Royal, Canberra Royal, Qld State), Rosedale Simona (Grand National Small Pony, SHC Reserve Champion Pony of the Year, Supreme Toowoomba Royal), and Rosedale Cambridge (resident Sire Rosedale Stud).

Eton is a fantastic addition to the stallion line up at Willowcroft Stud. This season he will cover key foundation Willowcroft mares to produce the ultimate show horses. We are thrilled with his acquisition.
